Compression, sustain,  
Impression, remain.  
I am not a guilty sentence.  
Well I just get up and switch it off.  
Separate temptations, standard frustrations.  
Oh, you know I look inside:  
There's nothing in there.  
All you parasites, you done schedule  
You solitary man, sit in your territorial machine.  
I need you to tell me this is wrong.

Catching and Killing  
No I,  
Feel like a winner

Tapestry in the lounge room.  
Talk back rejects  
Tell me your name  
A man sits at his computer,  
And moves infinitesimally.
