I'm looking for oblivion.
Become the place where the horizon ends.

I am just flesh
Sublimated my brain
Made a mistress of lust
And a slave out of fame
And I have learnt my lesson.

There's always 2 sides
There's always 2 sides
You can't serve 2 masters
You can't take 2 sides

I've been studying two doors.
One says constancy, the other just says more?.

Have you come here to dance? To die? To die? To die?
To dance? To die? To die? To die?
To dance? Or to die? To dance? Or to die?
