[Manny]

Pimp it

Mannie Fresh and the Wolf

And the Birdman and Toni

[Toni & Tamar]

(Give my uh-uh back)

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

[Toni]

I thought I met a good man whose name I won't discuss

He sold me a dream we were really in love

I heard on the street you're steppin' out on me

Now I'mma walk out that door, taking everything with
me

Give it to me back

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

[Baby]

Hey, you startin' up, baby

Ride a brand new Mercedes, baby

Um, pimpin' ain't crazy

Um, ask Toni, baby

Um, me and Manny, baby

Rock 'till I make it a boost, baby

Um, you want your ***, baby

Get it latter, I'll holla back, baby

[Toni]

You say you want your car back and the keys to your house

But there's one thing I want 'fore I get the hell out

No recalls, no coupon, I want my refund

I'm sorry I met you, cuz boy you're not the one

Give it to me back

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

I heard it (Heard it on the street)

You were steppin' out on me

(No coupons, no recalls)

I want my refund, yeah

[Mannie]

Ladies and gentlemen

Daddy got a new thing

Bless her with a diamond ring

Keep her neck like bling a ling a ling a ling

You can go ahead vacate, this was just a big mistake

Tell your lawyer call my lawyer

He will tell you what to take

Phone numbers, real change, attitude real strange

Used to eat big steaks but now you eatin' chicken wings

Sometimes I be flippin', don't know what I be sayin'

Call your lawyer back baby, I was just playin'

[Toni]

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

Give it back, give it back, give it back

(Give my uh-uh back)

[Mannie]

Well, you know, I like you then

I ain't gonna lie, I like you in a big way
(Give my uh-uh back)
Let's just say it's like fifty, no not quite that
(Give my uh-uh back)
Let's say like 47.9 percent
That's, you know, that's my way to love
(Give my uh-uh back)
You just hang in there, baby
Keep your head up
(Give my uh-uh back)
And one day, I will love you
Until then, take your uh-uh back
Ya'll heard (What)
