Treasureheart why do you walk alone  
You know somebody told me that your soul grow cold  
Treasureheart why don't you bother  
Take good care about one another

In the town where I was born  
And for you my love for when my heart was torn  
You know I walked on other clouds  
If I could see those many days again

Oh my brother will you carry me  
Will you carry me across that deep black sea  
Rainy clouds above my shoulder  
Let em pass till I'm older

Black rainy clouds above my shoulder  
let em pass till I'm older
