The functions are
Around midnight
What time is it
Are you in sight
Available
To come and play
Give me a clue
So I do, I do look for you

Chorus:
Come on, let's get down, let's get down, let's get down
Come on, let's get down, in my black Chevrolet
Come on, let's get down, let's get down, let's get down
Come on, let's get down, let's get down

Now here I am
Staring at you
I need a drink
You need one too
Who is your friend
She don't look nice
But I know she will
Later on tonight
Come on let's get down

CHORUS

Now that I feel a little better than I feeled a while ago,
yeah
I'm going back to the same spot that I met you on the
floor
Now table 1, that's my folks
And table 2, that's my folks
And everybody knows my name
Now table 3, that's G Grant
And table 4, that's G 1
You must be prepared
'Cause it's on again you know

CHORUS
