These tears i've cried
I've cried 1.000 oceans
And if it seems
I'm floating in the darkness
Well, i can't believe that i would keep
Keep you from flying
And i would cry 1.000 more
If that's what it takes
To sail you home
Sail you home
Sail you home

I'm aware what the rules are
But you know that i will run
You know that i will follow you
Over Silbury Hill
Through the solar field
You know that i will follow you
And if i find you
Will you still remember
Playing at trains
Or does this little blue ball
Just fade away?

Over Silbury Hill
Through the solar field
You know that i will follow you
I'm aware what the rules are
But you know that i will run
You know that I will follow you

These tears i've cried
I've cried 1.000 oceans
And if it seems
I'm floating in the blackness
Well, i can't believe that i would keep
Keep you from flying
So i will cry 1.000 more
If that's what it takes
To sail you home
Sail you home

Sail you home
Sail
Sail you home
