We're not the first, I hope we're not the last  
'Cause I know we are all heading For that adult crash  
The time is so little, the time belongs to us  
Why is everybody in such a fucking rush?  
Make do with what you have, Take what you can get  
Pay no mind to us, We're just a minor threat  
We're just a minor threat  
Early to finish, I was late to start  
I might be an adult, I'm a minor at heart  
Go to college, be a man, what's the fucking deal?  
It's not how old I am, It's how old I feel  
Take your time, Try not to forget  
We never will, We're just a minor threat  
We're just a minor threat
