"Nice I Guess"

Visit "[Nice I Guess](#)" on MotoLyrics.com

It's nice I guess
Could be a little bit
Longer I confess
Long enough
To sing a song
Of happiness
Long enough to bring
Along some joyfulness

But I can tell you
That It's nice I guess
Waitin for the end
To come my way
Probably
On another day
That's nice I guess
But I won't be around
To do my best

So you can tell me
If it's nice I guess
However
You wanna look at it
If you throw
The book at it
That's nice I guess
But I know
I don't have
Too much left
