It's not time wasted  
Am I wasting all your time?  
Is it just me now  
Did you just fall behind?  
Why worry anymore?  
Why were we questioning?  
Let's relive everything  
As if we never lived

Take back what I'm saying  
You never care about the games were playing

Do I lose  
Cause if I try I try for you  
And if its all the same I'd like to stay with you  
Do I lose  
Cause if I try I try for you  
I'm losing you

Is our time wasted,  
When I'm wasted all the time?  
And you've got your reasons  
Cause I'm away all the time  
These words they drag you farther than I ever knew

Do I lose  
Cause if I try I try for you  
And if it's all the same I'd like to stay with you  
Do I lose  
Cause if I try I try for you  
I'm losing you

Do I lose  
Cause if I try I try for you  
And if it's all the same I'd like to stay with you  
Do I lose  
Cause if I try I try for you  
I'm losing you

Cause if I try I tried for you  
I try and try for you

I try and try for, try and try for you  
I'm losing you
