Stories and pages blended in years
Bookmarks of memories and cover-ups
condense us until we burn away.
Presses with ink as red as lips.
Feeling a fault smashing against our cheek
decieving our open eyes and front page love.

Gaining back what's lost is gone, when columns turn to
stone.
Believe in what we tell you. Keep flipping pages, build
up reactions.
Believe in what we tell you. Frequencies flowing, build
up reactions.

Headliners flash across our eyes
deleting honesty through hidden lines.
A barrier of what is truth slowly desolves,
but these times call for building up reactions
to keep you from being told.

Gaining back what's lost is gone, when columns turn to
stone.
Believe in what we tell you. Keep flipping pages, build
up reactions.
Believe in what we tell you. Frequencies flowing, build
up reactions.

Exhausted eyes....

Build up reactions,
Keep from being told,
Build up reactions,
Build up reactions,
Buile up reactions,

Gaining back whats lost is gone,
Gaining back whats lost is gone,
Gaining back whats lost is gone,
Gaining back whats lost is gone,
Gaining back back whats lost....

Believe in what we tell you, keep flipping pages, build
up reactions
Believe in what we tell you, frequencies flowing, build
up reactions
Believe in what we tell you...
