Who were you there with?  
Cause I swear I've seen you before  
Though in the distance I just turn my head away  
We parted clinging to the same trends  
Make sense to a girl who cries at least twice a day  
because she's unhappy

We could have made it, a couple of deep breaths  
There was a light, we could of reached it, there was a  
light  
All this pain and aggravation causes me to feel that  
I was a just a card dealt out of spite.  
Well I called your bluff.

Get with it, get with it, did you think I was blind enough  
to not realize?  
Well better luck, better luck next time.  
And why was it every time we would have it out, you  
wouldn't cry?  
You'd just place your bet make the call, go run and  
hide.

Who were you there with  
Cause I smell him on your skin  
Though in an instant I just turn my face in shame.  
Now on the edge of demonstration, a suspicious feel  
that  
I was a card dealt out of spite  
well i caught your bluff  
Get with it, get with it, did you think that I was blind  
enough to not realize?

Well better luck, better luck next time.  
And why was it every time we would have it out, you  
wouldn't cry?  
You'd just place your bet make the call go run and hide.  
Oh, woah. oh woah  
feel it feel it  
oh, woah, oh woah  
oh woah, oh woah

MY HEART ISN'T BROKEN  
AND I'M NOT DEAD. (x8)
