Now Or Never  
Tony C.  
(Now Or Never (single))

Verse1- I'm seeing you in my dreams, back when were young kiddys. You played on my basketball team and we would always compete. I never thought you could be this beautiful. Your body's irresistable. I need to know if you're down, or leave it how it is now.

Chorus- Are you down with me, or are you nooot pleased. I need to know if we're gonna be together. It's Now Or Never.  
(repeat)

Verse2- I can't think of anymore to say but I think about you everyday. Your name pops in my head all da time, and that makes me sure that I want you as mine. You know I'd never hurt you. Never do anything you didn't want me to. Now I know that my mind is madeup, so let me know whassup?

Chorus

Bridge- Are you playin' games? Will your answer remain the same? I need you in my life. So just be minnnne!
