Damned If We Do
Damned If We Don't
Damned If We Do
Damned If We Don't

All right

Mama said "Son, don't you be fool
It's time to face the golden rule
Cut your hair, finish school and be all right"

I said "Momma, stop preaching 'bout a nine to five
Three piece suits and all that jive
I really care, so dry your eyes
It's time to live my life"

Oh no
I'm going crazy
Oh no
But I don't care
Oh no

We'll be
Damned if we do, damned if we don't
Damned if we do, damned if we don't

Now I'm out on the road
Hey, I'm in your town
I'm in control, you can't get me down
I need a woman, I know what's right
Fighting no more, God knows how I've tried

Oh no
Can you take it?
Oh no
Don't fake it
Oh no

We'll be
Damned if we do, damned if we don't
Damned if we do, damned if we don't

We're all
Damned if we do, damned if we don't

Oh, now listen
You know what I'm talking about
It's time to lead my life
All the way I want to!

Oh no
Ooh My mommas going crazy
Oh no
My daddy's insane
Oh no

Damned if we do, damned if we don't
Damned if we do, damned if we don't
Well, I'll be
Damned if we do, damned if we don't
Get off my trees
Damned if we do, damned if we don't
Can't you see I'm rockin' and rollin'
Damned if we do, damned if we don't
That's right, say bye-bye
Damned if we do, damned if we don't
Well, I'll be damned
Damned if we do, damned if we don't
