Ladies night in a downtown bar
Cleveland, Ohio
Long, tall women in fancy cars
Never say no

I tried to make you happy
I tried to make you see
Money don't mean nothing
To a small town boy
Do you know really who you are?
Do you think I'm a rock n' roll star?

Don't talk about roses
Let's talk about love
Don't talk about roses
You know it's never enough

Saturday night it feels all right
Cruisin' down main street
Strip joint, gang bang
Waiting for the BIG BANG!
Never lay low

I've tried to make you happy
I've tried to make you see
Money don't mean nothing
To a small town boy
Do you know really who you are?
Do you think I'm a rock n' roll star?

Don't talk about roses (Don't talk about roses)
Let's talk about love (Talk about love)
Don't talk about roses (Don't talk about roses)
You know it's never enough, never, never, enough

Don't you talk
Never never never is never enough
Ooh baby
You know what I mean when I touch you
I don't need flowers
I need some love!

I try to make you happy
I try to make you see
Money don't mean nothing
To this small town boy
Do you know really who you are?
Baby, Do you think I'm a rock n' roll star?

Don't talk about roses (Don't talk about roses)
Let's talk about love (Talk about love)
Don't talk about roses (Don't talk about roses)
You know it's never enough

Don't talk, don't talk!
Don't talk about roses
Don't talk about roses
Don't talk about roses
You know it's never enough

Never, never enough!

Don't you talk, don't you talk
Don't talk about roses
