Sirens wail, raising hell
I'm smokin' out the bars
I know you nasty women can't be far
We're heading for the exit
She stepped out on me
She said "Don't you waste my time
I've been around the bush
Your place or mine?"
I said "Honey, what you wanna do?"
She said "I leave it all up to you"

Screwed Blued And Tattooed
Get me Screwed Blued And Tattooed
That's you (that's right!)

Hot wheels and a private bar
And her show for the go
Caviar, whiskey jar
Walk alone
Like a kid in the candy store
Like a dog without a bone
You can't stop me now
I'm running back for more
Oh, it hurts like mad
But then again, it ain't that bad

Screwed Blued And Tattooed
Get me Screwed Blued And Tattooed
That's you (that's right!)

Screwed Blued And Tattooed
Ooh babe Screwed Blued And Tattooed
That's you (that's right!)

Screwed Blued And Tattooed
Ooh Mama Screwed Blued And Tattooed
That's you (that's right!)

Screwed Blued And Tattooed
Oow Screwed Blued And Tattooed
That's you (that's right!)

Screwed Blued And Tattooed
You can't stop me
Screwed Blued And Tattooed
