Your crying eyes
You tell a secret
Of a million lies
A thousand reasons
This time baby
Tears are not enough

Your perfect stories
You've committed time after time
I don't need it
I don't want it
I'm losing my mind

This time
This time, it's love
You're trying to hide
This time
This time, it's love (This time it's love)
I feel it inside

The way you walk
When you start to talk
The way you leave me
Lost in the dark
I know it so well
It's tear me apart
Just like a poison arrow
Straight through my heart

This time
This time, it's love
You're trying to hide
This time
This time, it's love (This time it's love)
I feel it inside

Hey!

This time
This time, it's love
You're trying to hide

This time (This time)
This time, it's love (This time it's love)
I feel it inside

This time (This time)
This time, it's love
You're trying to hide
This time (This time)
This time, it's love (This time it's love)
I feel, I feel it inside

Ooh yeah

This time baby it's love
I'm in love
I'm in love
Oh-uh baby I'm in love
I'm in love
Is it love?
Oh babe, please tell me if it's love

I wanna know, I wanna know, baby
