Well, some contend this rock'n roll's bad for the body,
bad for the soulBad for the heart,
bad for the mindBad for the deaf and bad for the
blindIt
makes some men crazyAnd then they talk like
foolsMakes
some man crazyAnd they start to droolIt's a teenage
nervous breakdownTeenage nervous
breakdownTeenage nervous
breakdownTeenage nervous breakdownTeenage
nervous breakdownI
said a breakdownUnscrupulous operators could
confuseCould
exploit and deceiveThe conditional reflex
theoriesChange
the probabilitiesI said it's a crass and rancous crackass
placeWith pavlov on the human raceIt's a terrible
illness,
a terrible caseUsually permanent when it takes
placeIt's
a teenage nervous breakdownTeenage nervous
breakdownTeenage
nervous breakdownTeenage nervous
breakdownTeenage nervous
breakdownI said a breakdown
