Like when the samurai slays the rival he chases  
You shift shake and slide through different phases  
Blankin out fast in a moment of confusion  
Remove yourself for a minute and clear the disillusion  
Empty are the apologies you offered to me  
I'm here to bring you a messy demise  
I wanna let you know so you can feel it  
Oh I didn't want it to be a surprise

I'm leavin' you disemboweled  
Make damn sure ya dead  
There's blood on ya doorstep  
Off went ya head

Can call me the hitman cause I kill for thrill  
Gimme the money and I'll carry the will  
Slaughter of the lambs and the ones you want gone  
Save the celebration for my swan song  
Boiling with rage as I hack you apart  
Throw the parts in a bathtub full of acid  
Dissolve away the incriminating evidence  
Making sure they never find jack shit

I'm leavin' you disemboweled  
Make damn sure ya dead  
There's blood on ya doorstep  
Off went ya head  
I'm leavin' you disemboweled  
Make damn sure ya dead  
There's blood on ya doorstep  
Off went ya head

Off went ya mothafuckin head  
Off went ya mothafuckin, mothafuckin head  
Off went ya mothafuckin head  
Off went ya mothafuckin, mothafuckin head  
OFF WENT YA MOTHAFUCKIN HEAD  
OFF WENT YA MOTHAFUCKIN, MOTHAFUCKIN HEAD  
OFF WENT YA MOTHAFUCKIN HEAD  
OFF WENT YA MOTHAFUCKIN, MOTHAFUCKIN HEAD

I'm leavin' you disemboweled  
Make damn sure ya dead  
There's blood on ya doorstep  
Off went ya head  
I'm leavin' you disemboweled  
Make damn sure ya dead  
There's blood on ya doorstep  
Off went ya head
