Can't fuck with what ya fear!

Death's mission is simple and blunt  
Destroy all you ever loved and adored  
He don't care 'bout ya feelings and tears  
He just comes to confirm ya fears  
Annihilation of ya dreams  
Say goodbye to those warm scenes  
Cold fear as he closes in  
Raises that scythe to take your life

Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill

Grim reaper's come to take you back  
No point in running because you can't  
Throw up your arms in bitter agony  
It's the end of the world for you  
Hooded figure wrapped up in black  
Strech'es out his hand like some attack  
Creeping death has reeled you in  
YOU'RE DEAD

Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill

Can't fuck with what ya fear  
Can't fuck with what ya fear  
Can't fuck with what ya fear  
CAN'T FUCK WITH WHAT YA FEAR

Death's mission is simple and blunt  
Destroy all you ever loved and adored

He don't care 'bout ya feelings and tears  
He just comes to confirm ya fears  
Annihilation of ya dreams  
Say goodbye to those warm scenes  
Cold fear as he closes in  
Raises that scythe to take your life

Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill  
Death's mission is to kill
