"Quite an experience to live in fear, isn't it? That's what it is to be a slave."

Living life in monotone colors
Everything is the same
As similar as the others
Painfully repetitive
Day after day after day
Doesn't change
Wanna shove it all away

Pushing outside the box
Somewhere that you don't know
Pushing outside the norm
Somewhere that no one goes

Seems like I lived this day before
Oh wait I did cuz yesterday's today for sure
I know my rhythm and my daily routine
I swear I saw something different
But what does it mean

Pushing outside the box
Somewhere that you don't know
Pushing outside the norm
Somewhere that no one goes

"I don't know why he saved my life.
Maybe in those last moments he loved life more than
he ever had before.
Not just his life, anybody's life, my life"

Push it to the limit
To the limit
Push it to the limit
PUSH IT
Push it to the limit
To the limit
Push it to the limit
PUSH IT

Pushing outside the box
Somewhere that you don't know
Pushing outside the norm
Somewhere that no one goes
Pushing outside the box (PUSH IT)
Somewhere that you don't know (THE LIMIT)
Pushing outside the norm (PUSH IT)
Somewhere that no one goes (PUSH IT)
Pushing outside the box
Somewhere that you don't know
Pushing outside the norm
Somewhere that no one goes
