In this circus maximus of life I'm out to get mine
Get the fuck out my way before I run you down
I don't care about you never did no way
I'm in this to win this right right now

Survival
Survival
Survival
Survivalist

First I saw the crowd and then I saw the prize
Got that survival see it burnin right up through my eyes
As the gunshot sounds I get to runnin strong
It's the way of the world, this whole charades a contest

Survival
Survival
Survival
Survivalist
Survival
Survival
Survival
Survivalist... mindstate

Sometimes ya got to burn
Sometimes ya got to bleed
Sometimes ya gonna lose
Sometimes ya succeed
Sometimes ya got to turn
Sometimes ya got the lead
This time ya gonna lose
Cuz I succeed

First I saw the crowd and then I saw the prize
Got that survival see it burnin right up through my eyes
As the gunshot sounds I get to runnin strong
It's the way of the world, this whole charades a contest

Survival

Survivalist... mindstate
