Terry  
you're askin' too much.  
Terry  
you're askin' too much.  
You want me to be true  
to only you.  
But you don't want a do  
the same thing too.  
Terry  
you're askin' too much.  
The promises we made don't mean a thing to you  
  
You want to run around the way you used to do.  
But you don't like it when I look at someone new.  
Well  
you be true ta me  
  
and I'll be true to you.  
Terry  
you're askin' too much.  
Terry  
you're askin' too much.  
You know you got me so in love with you  
that I don't want a go with someone new.  
Terry  
you're askin' too much.
