Not black, or white
Who's the enemy to fight
But they're ready, armed and ready

Wind 'em up, let'em go
Throw 'em out into the show
Ready, armed and ready

It's so beyond belief
All the horror there to see
With no satisfaction guarantee

Blind patriot
They're the ones you never see
Blind patriot
Being all that they can be
Blind patriot
Pushing back against the fear
Taking on the fight
They're told is right
When the outcome isn't clear
Blind patriot

No left, or right
No politics to blind the sight

Ready - armed, and ready

In the line of sight
Dropped into an angry fight
Ready - armed, and ready

Long fight, ahead to go
Heads up, even though they know
There's no satisfaction guarantee

Blind patriot
Taking on the dirty deeds
Blind patriot
Standing up for you and me
Blind patriot
Just your faithful volunteer

Taking on the fight
They're told is right
When the outcome isn't clear

Blind patriot
