[Ya Boy:]  
Hey Mama  
Ya Boy Gettin Paid Mama  
Remember, It didn't Used To Be This Way Mama  
But Look, Ya Son Drivin Escalade's Mama  
And After Them Shows Ya Son Gettin Laid Mama  
I don't Know What It Is Mayb The Like Me  
But I've Been Suffering So Long Huh, The Shit Is  
Frightening  
People Are Star Struck, I'm Gettin Starbucks  
But Last Year I Couldnt Afford Starbucks  
I Went From Honda Cord To Driving Large Trucks  
Didn't Really Have A Name I Couldnt Charge Much  
Nigga's Overlookin The Bay But That Was Our Luck  
Now I Got Sumthin To Say And They On Our Nuts  
I Used To Hustle On The Block Sellin 10 Shots  
And Now I'm Tradin My Stocks At The Rim Shop  
And The Shit don't End No it's Not Stopping  
I'm In New York With Jin We Got The Set Popping

[Chorus: Ya Boy (Jin)]  
Ayy I've Been Down So Long, So Long, So Long(Its Time  
For Me To Come Up) [x4]  
Ayy I've Been Down So Long, So Long, So Long(If You  
With Me Get Up)

[Jin:]  
I Speak For The Mc's So You Can Understand Him  
1 - 2 Battle's Now They Call Me 100 Grand Jin  
Accept The Fact That You can't Win  
It's A Done Deal Now That I Linked Up With Ya Boy In St  
Quin  
You Know Cats Will Talk We Just Here To Get It Poppin  
And Let The Bay Watch Like David Hasselhoff  
Then Go Global With It Hit Your Part Of Town  
But You can't Reach The Sky If You don't Start From The  
Ground  
Can You Blame My Confidence?  
In 4 Years I Rocked About 36 States And 5 Continents  
That's All On The Strenght Of My Flow  
Only Suckers Who Measure Skills Based On The Land

Of There Dough  
I Represent The Graphieus Ask My Man Kay  
He'll Tell You Right There I'm Only 1 Hit Away  
But You Never Know, Shit This Could Be The Song  
It's Time To Come Up I've Been Down So Long

[Chorus: Ya Boy (Jin)]

Ayy I've Been Down So Long, So Long, So Long (Its Time  
For Me To Come Up) [x4]

Ayy I've Been Down So Long, So Long, So Long (If You  
With Me Get Up)

[Jin (Ya Boy):]

So If You With Me Out There Then Please Stand Up  
(And If You Hustlin Work Then Put Your Grands Up)  
But If You Get Locked And Put On A Stand Stuck  
(Remember Snitchin Aint Cool don't Never Give Your  
Mans Up)

(And For My 9 To 5 Workin I Aint Mad At You)

Single Baby Mothers That Gotta Be The Daddy Too  
(This Is The Anthem For The Struggle In The Grind)

It's Jin

(Ya Boy)

[Chorus: Ya Boy (Jin)]

Ayy I've Been Down So Long, So Long, So Long (Its Time  
For Me To Come Up) [x4]
