What's trappin baby, where the molly at? Ha!

Hold up, hold up, wait a minute man
That bitch don't look the same as a instagram
I need me a molly so I can see clear
White boy wasted, like I drink beer
She can tell by the bitch that I'm with that I get dough
I'm 6? 1?? but my money like 10? 4?
All my mama money long like the bay bridge
We don't say female, we just say bitch
Bad money I can fuck her for tonight and
If she don't like the rocka then she don't like men
She don't wear louie bag, she don't get money
Ain't shit funny bitch come and strip for me
And I don't love no hoe, for those of you that don't

Fucked a couple videos bitches about the no ho
Your girl know I'm famous, that's why she taking

[Hook]

You're looking like a star girl you're shining like vegas
Talking bout money, then you speaking my language
Let's get it trappin
Money long, stay fresh, lil mama on, say bitch
And the 5th blowing big trees
Baby fine at a 10b, turn up
She already know what the lick be
So she just wanna ride me like a 10 speed
Where she at, coming back like a frisbee
I keep her coming back like a frisbee
