

Y&T "How Long"

Stay away from my window
Stay away from my front door
I don't need no company

I live in the darkness
With my misery
And it all belongs to me

I was wrong such a fool
The dreams I have taken
Blame it all on me

How long
Will I be unforgiven?
How long will it be?

How long
'Til a heart becomes unbroken?
It's all that matters to me
How long will it be?

If there's a light in this darkness

Let it shine on me
'Cause this guilt is all I see

In the flash of a moment
My whole world has changed
So many broken dreams

Now I search, in my soul
To find my salvation
Oh, forgive me

Each day goes by
Like a cold and gray December
I close my eyes
The guilt is all I see
For all my life
I will remember
Oh, God forgive me
