Monday morning's coming all too fast
Weekend's gone, oh how I made it to last
I wish it would last

Punchin' in, I feel like punchin' 'em out
It makes me scream
It makes me wanna get up and shout
Ah, they push and shove me all day

Well, I'm hungry for rock, ready to roll
Yes, I'm hungry for rock
I'm gonna roll all over you

Coming home, it starts on me again
A battle zone, a war I just can't win
Oh, seems like I never win

You turn me off, so I turn it up
It sounds so good baby
Just can't get enough
Oh, can almost taste it

Well, I'm hungry for rock, ready to roll
Yes, I'm hungry for rock
I'm gonna roll all over you

Well, I'm hungry for rock, ready to roll
Ready to roll
Yes, I'm hungry for rock
Ah, do it

Hungry for rock
I'm so ready to roll
Hungry for rock
Yes, I'm ready to roll
Hungry for rock
Oh, so hungry baby

Oh, somebody feed me some rock
Hungry for rock
You know, everybody needs some
Good hard rock

Hungry for rock

Even [Incomprehensible] needs some

Good hard bone rock

Hungry for rock

Feed me that, feed me that rock

Hungry for rock
