

Y&T "Let Me Go"

Visit "[Let Me Go](#)" on MotoLyrics.com

Been so long since I've seen you smile
The way you used to do
Something's changed but it's hard to tell
If it's me or if it's you

Words come hard after all this time
You see there's nothing left to say
Let's face it, baby, though we really tried
You know we can't go on this way

Let me go
Let me go
All I want from you
Is just to let me go

Once lovers now we don't touch
Making love don't mean a thing
Even close we're so far away
Only time will ease the pain

Ain't no use in your hangin' on
Why don't you just let it be
Hate to say it but there ain't no way
But time for you to set me free, yes

Let me go
Let me go
Oh, all I want from you
Is just to let me go

Let me go
Let me go
Oh, all I want from you
Is just to let me go

Let me go
Let me go
Oh, all I want from you
Is just to let me go

Let me go
Let me go

Oh, all I want from you
You got to let me go

Oh, all I want from you
Is just to let me go
Oh, all I want from you
All I want from you
Oh please, turn me loose
