I'm gettin' ready for a long lost weekend
Stuck in this place for too damn long
Already gone, I'm movin' on, rollin'

I've got the power, I've got the speed
Don't know 'til I get there
Where I'm goin'
Don't you see

One life,
One man
Big dreams
Got one plan
One life
One chance
To live all I can
One life

Life is a river that just keeps movin'
You can sit up on the bank and watch it flow
I'm jumpin' in, sink or swim, flow river, flow

Sometimes it's fast
Sometimes it's slow

But I'm gonna ride
That river now
Everywhere it goes

One life,
One man
Big dreams
Got one plan
One life
One chance
To live all I can

One world
One voice
You make your choice
One life
To live

Live it well
Live it good

One life
