You start me up
Girl, know how to use it
When you shake your stuff
You know I can't refuse it

The way you move your body
Makes me loose my mind
Should I call your bluff
Or are you just the teasin' kind?

I need some satisfaction
Just look at the shape I'm in
I need some coolin', c-c-coolin'
Girl, ya got me

Red hot, red hot and ready
Ya know I can't stop
Caught in the middle of love, you got me
Red hot, red hot and ready
Girl ya know, I need what you got
Red hot and ready

You can call it love
It's easy to confuse it
Call it what'cha want
But baby let me prove it

I can read your mind girl
You're hot, now don't be shy
When I feel your touch
I feel the fire deep inside

Everybody needs some satisfaction
Open up, let it all come in
I need some coolin', c-c-coolin', c-c-coolin'
Girl ya got me

Ooh child, been a long time
Been a long, long time
Ooh child, since I've met a girl
Who has as dirty a mind as mine

Red hot, red hot and ready
Ya know I can?t stop
Caught in the middle of love, you got me
Red hot, red hot and ready
Girl ya know, I need what you got
Red hot and ready
