[Lauryn]

Joyful, joyful

Lord we adore Thee

God of Glory, Lord of Love

Hearts unfold like flowers before Thee

Clearly as the sun above

Melt the clouds of sin and sadness

Drive the dark of doubt away

Giver of immortal gladness

Fill us with the light

Fill us with the light

Oh fill us with the light of day

Beat Starts

[Chorus: Choir]

Joyful, joyful

Lord we adore Thee

God of Glory, Lord of Love

Hearts unfold like flowers before Thee

Clearly as the sun above

Melt the clouds of sin, sin and sadness

Drive the dark of doubt away

Drive it away

Giver of immortal gladness

Fill us

Fill us with the light of day

Light of day

[Rapper 1]

Check the rhyme

Joyful, joyful

Lord we adore Thee

And in my life I could not afford Thee

'Cos as youngster I came to know

That you were the only way to go

[Rapper 2]

So I had to grow and I come to an understanding

And I'm down with the King

So no-one comanded

You tell me "Who you down with" see
All I know is that I'm down with G.O.D
You know G.O.D

[Choir]
Yeah, you know me

[Rapper 1]
You know G.O.D

[Choir]
Yeah, you know me

[Rapper 2]
You know G.O.D

[Choir]
Yeah, you know me

[Rapper 1 & 2]
You know G.O.D

[Choir]
Everybody

[Lauryn and Girls]
Join the mighty chorus
The mighty mighty chorus
Which the morning stars become
The Father of Love is mighty glorious

[Choir]
By the way!
What have you done for Him lately
Ooooh yeah (Oh)
What have you done for Him lately
He watches over everthing
So we sing!

[Repeat Chorus by Choir with Lauryn's ad-libs]

[Choir with (Girls, Boys, Lauryn's Vocals)]
Fill us (Fill us with the light of day Lord, oh fill
us)
Fill us (Oh we need you yes we do, ooh fill us)
Fill us (Yeah, yeah, yeah, yeah, yeah)

Fill us (With the light of day Lord)
Fill us (With the light of day Lord)
Fill us (With the light of day Lord)

Fill us (We need you, we need you to Pray, we need
you, need you today)
Fill us (We need you I'm gonna say)
Fill us (Fill us, fill us, fill us, fills us!)

Fill us
Fill us with the light of day (Oh yeah)
LIGHT OF DAY!
