Baby girl you the freak of the week

So sadity, you ain't pretty girl, suck on theeeese

Sorry, don't want me to talk like dat

I gotta see you girl when you walk like dat

Ask your name and number and I start to wonder

Sexy brown chocolate vanilla white child

I like yo' ass and I like yo' smile

But all that smirkin gon' get you cussed out

Fuck you bitch, put this dick in your mouth

[Chorus: Daz]

You're superbad bitch but your ass ain't pretty

Show me your ass girl, then show me yo' titties

[Interlude]

(Why you act sadity.. why you act sadity..)

(Why you act sadity.. why you act sadity..)

[Too \$hort - over Interlude]

Fuck that bitch!

With her sadity ass

[Kurupt]

Damn, look at her, what's your name?
How come I ain't never met you in the game?
You somebody I could have on my side
We could partner in crime, it's just you and I
The problem is that you're just a bitch
I couldn't trust you as far as you can sit and piss
Look bitch, I know you got bank
You're actin rude, and your attitude is stank bitch
But that shit won't work with me
Uncle Too \$hort, or D-A-Z
See I'm bangin to Lil Jon
When this dumb pretty bitch turned my radio off
Had a nigga, so pissed off
So I laid right back and let her eat my dick off
Yeah bitch, I'm talkin to you
Stop actin high sadity bitch, chill be cool

[Chorus]

[Too \$hort]

You got money in your purse girl
Shake that ass, make it work girl
Tryin to shake it 'til it hurt girl
I'm fin' ta check yo' ass
Lil' bad-ass bitch came through with her clique
They all look good, I'm like who would I pick
When they walk past me, I do 'em like this
Grab that ass, let her feel on my dick
Actin fake sadity and stuck up
Sittin next to her, she holla get the fuck up
You ain't never too cute to get slapped
Shit gon' change when you get with a mack
You can't hold back when you fuck with me
Don't let me find out that you're just a tease
Don't let me find out you won't suck my balls
Bitches like that I don't fuck with y'all
I fuck with bad bitches, my girls do it all
I ain't gotta finance trips to the mall
Tell that fine-ass bitch I'm Todd Shaw
As I stick my dick in her jaw

[Chorus] + [Interlude]
