Nakitsukaretetanda
Toikakeru basho mo naku
Mayoinagara tsumazuitemo
Tachidomarenai
Kimi ga kureta egao
Otoshita namida wa
Boku no mune no fukai kizu ni furete kieta
I feel my soul, take me your way
Soo tatta hitotsu o
Kitto daremo ga zutto sagashiteiruno
Sore wa guuzen dewa nakute
Itsuwari no ai nanka ja nakute
You're right all right
You're right all right, scare little boy

Nandomo kurikaesu dooka ikanaide
Sasayaku yoona kimi no koe wa itooshikute
I feel my soul, take me your way
Moo furimukanai
Kitto kono te de ima tashikametaiyo
Itsumo tanjunna hodo kurushinde
Ikiteyuku imi o shiritaikara
You're right all right
You're right all right, scare little boy

Sotto tsubuyaita kimi no kotoba you say it
Ugokidase mienai kedo michi wa hirakareteru

I feel my soul, take me your way
Soo mogaki nagara mo
Kitto konomama zutto aruiteyukeru
Sore wa guuzen demo nakutte
Arifureta yume nanka ja nakutte
You're right all right
You're right all right
Itsumo tanjunna hodo kurushinde
Yorokobi no imi o shiritai kara
You're right all right
You're right all right, scare little boy
