siren

[talking]

Save the Atlanta sound?
Oh we don't represent Atlanta?
We ain't put the A-Town on the map?
Okay... Here we come!

"In the even of an emergency
you'd have 5 seconds to get to the Dungeon"

Aww yeah we crunk, we crunk, we crunk...

[Big Gipp]

Gipp economy is strange in the meaning, lookin street
Even (?) for no team, I swing dissipated lines
Stroke after them, apple martinis
I live kosher, I'm the most-a like the art
Took my moves from Billy Whiteshoes
Fight back like Geronimo, crack comma Ustafa
who said, "Like the sky, like a hot fire"
Dorcey put a hit up on that man, control red
Some watchin liberation, abberation house down ya
throat
Tapdance on ya kidneys, come around that ass like
measles
The first and the second shots ain't nuttin but teasers
Set your body afire like Watson
Travel through yo' team like hydrotoxins
Premium dutch, blood shift you closer to the edge
Project push, A-T-L - you get yo' water out the faucet,
we get our water out the well
We win the war with Miami boys over these streets to
eat
Channel 5 got the story of the day
Old church burnin, Emma got hung
and the student caught with a gun, Wayne Williams
interviews
Remote controlled cars for teachers
in Zone 1, Zone 2, Zone 3, Zone 4, Zone 5
Whattcha gon' do, who ya gon' call?

The (?) gun show? Now nigga come on!

[Hook]

Awww yeah! We crunk now (We crunk, we crunk, we crunk)

Awww yeah! We crunk now (We crunk, we crunk, we crunk)

Awww yeah! We crunk now (We crunk, we crunk, we crunk)

We crunk now, we crunk now! (We crunk, we crunk, we crunk)

[Mello-Capone]

Capone got that Southside pimp creep, College Park out the door

Die-hard, booze chillin, nan nigga wanna start

Niggaz round the A-Town, salty cuz they gameplan

Breakin they neck tryna run, but Dungeon niggaz done been ran

Y'all was out for grannin and pussy pursuin

We slum deeper studio-type, breakin great entrepreneurs

Alert, it's a all out emergency homes

Hit up, slick Ricky Wade on my cellular phone

Man my group done broke up, just starters claimin we rock

It's my destiny to make it, I'm a fuckin survivor

This might be one again, oh hailin in the blaze that we brought

(?) then waited (?) but my stomach was growlin

Dungeon Family

[Hook] - 2X

[BackBone]

Yes y'all, all the time, it's goin down

Whattchu say shawty? Look here you betta believe it

Ooooooh, call the po-lice *sirens*

I will verbally murder one of these sucka emcees

I talk that - know they act if they ain't understandin me

How they gon' handle me, this Dungeon Family

I spit this shit randomly (Brrroaw!)

From point-blank range, blow out they brains

leave all thoughts dang-a-ling - shhhhhh, nobody say nothin

Facin charges on account of the attempt and assault with a weapon

Know what it is, you done seen this here befo'

Come through ya front do' and letcha know fa sho'

You hear them automatics spittin

Leave ya whole coalition in critical condition

When we speak, we recieve ovations from nations
Why that 2nd Generation strapped in attack formation
Shook up the world but it wattrn't pretty
I conversate strictly for the nitty-gritty
We crunk now!

[Hook] - 4X

"I repeat - this is not a test... this is not a test..."
this is not a test..."

"In the event of an actual emergency, you'd have 5
seconds..."

"I repeat - in the even of an actual emergency
you'd have 5 seconds"

woman's computer voice

"We're settin the stage very possibly for World War III"
