I fell asleep on the beach last night
I think I left an angel in the sand
Drank some drinks, sang some songs and felt alright
And baby I can do it all again
Yeah, baby I can do it all again

Chorus:

Grab your flipflops, and your boom box and two
coolers of ice
We hit up the same spot, where it's so hot and the
water feels so nice
Steal a little tiki torch from your mamas porch, we 'aint
gonna bring it back
'Cause when the sun comes up my friends, we're doing
this again

I fell asleep to the sound of the waves last night
I think I heard a mermaid call my name
Her hair was long and her eyes were extra bright
And baby I won't ever be the same
No, baby I won't ever be the same

Grab your flipflops, and your boom box and two
coolers of ice
We hit up the same spot, where it's so hot and the
water feels so nice
Steal a little tiki torch from your mamas porch, we 'aint
gonna bring it back
'Cause when the sun comes up my friends,
Yeah when the sun comes up my friends
We're doing this again

I fell asleep in her arms last night
She held me like the ocean holds the wind
If I could go back to that summer night
I'd take off all my clothes and jump right in
Yeah, I'd take off all my clothes and jump right in

Grab your flipflops, and your boom box and two
coolers of ice
We hit up the same spot, where it's so hot and the

water feels so nice
Steal a little tiki torch from your mamas porch, we 'aint
gonna bring it back
'Cause when the sun comes up my friends
Grab your flipflops, and your boom box and two
coolers of ice
We hit up the same spot, where it's so hot and the
water feels so nice
Steal a little tiki torch from your mamas porch, we 'aint
gonna bring it back
'Cause when the sun comes up my friends,
Yeah when the sun comes up my friends
Yeah when the sun comes up my friends
We're doing this again
