Don't stop what you're doing, oh no
A little bird just flew in, yeah

And he told me
That your love was strong
That you'd never been in love so long
So that's all right, yeah, that's all right, all right

I got something to tell ya, are ya listenin'?
You heart's gonna melt ya, all right

And you're feelin' just like a high-flyin' bird
That's the sweetest song you ever heard
Well, that's all right, yeah

I don't know what made you feel this way
But I hope you'll never fly away

So keep on flying away with m
(Don't stop what you're doing)
Say now take my hand
(Don't stop what you're doing)
Take me to a promised land baby
(Don't stop what you're doing)
Please, please, please, please, please
(Don't stop what you're doing)

Don't stop what you're doing
(Don't stop what you're doing)
You make me feel so fine
