The easiest way that I
have found to say goodbye
is to whisper every word
The easiest road that I
can take is on an open highway
just to cherish every curve

And I said don't be scared now darling
Bare with me for a year
and i'll be home yeah just to say goodbye
and whisper every word in your ear
i'll try to tell it to your ear

And I said don't be scared now darling
Bare with me for a year
and i'll be home yeah just to say goodbye
and whisper every word in your ear
i'll try to tell it to your ear

Don't be scared now darling
Bare with me for a year
and i'll be home yeah just to say goodbye
and whisper every word in your ear
