### "Sacrifice my life"

Visit "[Sacrifice my life](#)" on MotoLyrics.com

Dear Lord, why did you take my mama?

There's so much drama in my life, didn't have to take  
my mama

to make me right

now the only time that I can see my mama

is after life

I give up everything to see my mama

come back to life

I even Sacrifice My Life fo mama

lets reunite

fuck my wife, fuck this marijuana

I die tonight

juss to get my last sight of mama

up in the sky

my lil son, he look juss like you mama

don't be surprised

on the other side he got my fathers eyes

Jesus Christ apologize to my baby son at night for takin  
his grandmamas

life

my mama was sweet when we didn't eat

she could still make us laugh

even though our ass was livin out on the streets

cryin for weeks prayin to the Messiah

while the evil get, 25 to life fo' mama dyin in fire

trapped in a house

tortured in the worst way

I got her name tatted across my chest for her birthday

but, Lord....

Chorus \*(Yukmouth)\*

I sacrifice my life, juss to bring my mama back to life.

Hear me, Lord.

I sacrifice my life, juss to bring my mama back to life.

All alone in this, world.

I sacrifice my life, juss to bring my mama back to life.

Hear me, what?

I sacrifice my life, juss to bring my mama back to life.

Verse 2

Dear Lord, why did you take my father?

There's so much drama in my life, and now you take  
my father

that shit ain't right

all he wanted to do was be a balla

sniff China white

after, after hours of other ballas

bettin on the dice

give up my life juss to see my father

lets reunite

he was my friend, I was his little potna  
big brother type  
didn't give a fuck what my mother like  
when y'all broke up  
me and my father was so fuckin tight  
she had to show love  
I never knew when I grew up that I be juss like you  
smokin bud  
sellin drugs, and hustlin juss like you  
nigga I'm a Terminator 2 of you though  
you in a grave  
died from AIDS, some man made shit, an still they hate  
I'm gettin paid  
I miss my father and my mother  
so do yo sisters and yo brothers  
my son he miss his grandmother  
can't even sit on his grandpas lap for Christmas  
I got the riches  
but got nobody to share my shit wit  
What is this?!

Chorus

Lord

I sacrifice my life, juss to bring my father back to life.  
Hear me, Jahova.  
I sacrifice my life, juss to bring my father back to life.  
One mo time. Uh.

I sacrifice my life, juss to bring my father back to life.

God

I sacrifice my life, juss to bring my father back to life.

Verse 3

Why did you take my grandma off this earth?

She had to be the sweetest woman to ever walk this earth

it sho hurts

my whole earth, Queen of the Universe

this the first time we don't get to celebrate Thanksgiving dinner at

Grandma's church

see, when my mama died she took me in

even when my mama was alive she took then, straight put me in

a spare room in the house to live wit her

young dirty nigga didn't have no money or nothin to give to her

but still I lived wit her for 6 years

then she died now it's juss tears

it seems like I'm the only one in the family left here

trapped in this cold-hearted crazy world

me, my wife, and my son

I'm parinoid to have a baby girl

cuz life is fucked up, because of your prayers, I lived up

became successful

now that I got the money it seems that I stress mo'

sometimes I wanna let go

in my life, do Heaven really got a ghetto?

Sacrifice my life

\*(Chorus)\*

God,

I sacrifice my life, juss to bring my grandma back to life.

Hear me, Lord,

I sacrifice my life, juss to bring my mama back to life.

All alone in this, world,

I sacrifice my life, juss to bring my father back to life.

Ya hear me, God?

I sacrifice my life, juss to bring my dead potnas to life.

One love.

Uh.

Fo all my dead potnas (yes)

fo my relatives, (rest in peace) my mom's, my pop's

My grandma (I love you)

I'ma see y'all when I get there, at the Pearly Gates

I do this fo my nigga... from the S. and V.

my nigga SEAG, and my nigga Rappin' Ron

my nigga Tupacalypse

and my nigga Biggie Smalls

everybody that lost a loved one.... Sacrifice your life.

To bring 'em back to life

Sacrifice your life

We gone see 'em, don't worry

Eternal life.... we see 'em in the next life

Done deal
