yo this young noble outlaw i got the call from my
brethren yukmouth
he said we bout to get this thug reunionu know United
Ghettos of America I mean we got thugs in every state
nigga atleast one motherfucka
u know we all outlaws
aye yo Young Noble and yukmouth look homey u assed
out when it come to da flow dog i'm tryin to cash out on
everything owed to me and then some we live in the
slums old heads used to stick us and run knowin damn
well
we gon c his ass later when we probly thirty deep turn
his body to a crater
dent in the earth we young thugs sentenced since birth
itchin to merc
the closest nigga liftin his shirt sent to da earth
n now u gotta sit in a church askin the lord for
forgiveness 'causez u pulled yours first United Ghettos
of America we dealin with this
relentless statistics it's on some kill or be killed shit
niggas we gotta change this this how the white man
want us to be
they never settin us free untill we all ride together how
it's post2be
we outlaws die together so my soul is free

I been known for robbin hoods up 2 no good blunt
smoke no joke
old school like the Wood like Kane did Able I'm doin the
rest
willin and able shoot 4 ya kitchen table my guerilla
tactics
is at it's worst and if i blast wif da mic I'm killin wif one
verse
this gang bang slang I never rehearse ur trainer better
reverse
or ya mama cry n curse ya whole hood trail a herst and
wear black
my retaliation revenge and get back dub s c smack
down get smacked clown
yes i get paid in this crack town i never burn bitches or

blow out switches
if enemies approach i dumpin ditches societies most
hated
