STR 1

7 am little diamonds are sparkling in the air
she's next to me and a scent of magic is everywhere
what a wild feeling
golden memories lead us to a brandnew day

intrigued by her kiss
her smile brings out the best in me
forever like this
this is how i always want it to be
what a wild feeling
golden memories lead us to a brandnew day

BRIDGE

just one lifetime won't be enough to show her her all
my love

REF

this song is about you
i dedicate it to you
for all these little things you do to make me smile
this one is for you
your melody your love tune
for noone else can make me feel the way you do

STR 2

she can unite
what was torn apart what was so alone
i can't deny
i'm in love with her with all my heart
what a wild feeling
makes me do these things i never did before

BRIDGE

just one lifetime won't be enough to give her her all my
love

REF

this song is about you
i dedicate it to you
for all these little things you do to make me smile

this one is for you
your melody your love tune
for noone else can make me feel the way you do
