Etty in the room a cry  
Mama say she must wipe her eye  
Papa say she no fi foolish  
Like she never been to school at all  
It is no wonder  
It's a perfect pander  
While they were dancing in that bar room last night.  
Johnson in the room afret  
Uncle say he must hold up him head  
Aunty say she no fi foolish  
Like a no time fi him wedding day  
It is no wonder  
It's a perfect pander  
While they were dancing in that bar room last night.  
One pound ten for the wedding cake  
Plenty bottle of cola wine  
All the people them dress up in a white  
Fi go eat out Johnson wedding cake  
It is no wonder  
It's a perfect pander  
While they were dancing in that bar room last night.
