silhouettes above the cradle
hold me down
they wont let me go the wrong way

my mother tuaght me all the fable
told me how
in the end all the sinners have to pay
but...

i and i dont wanna live like my mother
i dont wanna
let fear control my life
and i dont wanna live like my father
i dont wanna
give up before i die

he works so hard his bones are breaking
he wore them down
long ago he lost the feeling
his good intentions leave me me shaking
show me how
i dont ever want to end up like he did

cuz i dont wanna live like my mother
i dont wanna let fear rule my life
and i dont wanna live like my father
i dont wanna
give up before i die!

when i have kids
i wont put any chaines on their wrists
i wont
i'll tell them this
theres nothiong in this world that you cant be,
if you want it enough

and i dont wanna live like my mother!
i dont wanna !
let fear rule my life!
and i dont wanna live like my father!
i dont wanna!

give up before i die!

and i dont wanna live like my mother!

i dont wanna!

let rule my life!

and i dont wanna live like my father!

i dont wanna!

give up before i die!
