[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

i try to stay low
but suckaz try to play me
so swing by the Uzi
and follow me to da stage.. so i tear it up
if suckaz are there they better clear it up
put the glock away ya here us comin' ya know why ?
ya got the funky drummer drummin'
so sink ya knees skin (?)
i won't quit
instead i go off in a freestyle fit
they turn the stress that i keep repping about
things and dope jams thanks a lot, sucka
cuz i be jockin' i keep on rockin'
smokin' FC and dreads start lockin'
so i'm twisted, stay tight fisted
try to break me, ya must blistered
so dedicate this jam see,
to all the suckaz who try to play me...

CHORUS:

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

punks

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

how ya like me now?

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

somebody said to get paid you had to sellout
i wonder what tree this muthafucka fell out?
i remember tha roots of this dreadlock
drinking 40's on the corner of my herb spot
singin' dope rhymes while i'm in my pay

while others scheme like donkey's/honkeys on a bad
day
no need to say no names ya know who you are
probably listen to my tape while in ya car
in your walkman, home on your rock system
make it real shoutouts so you can really listen
to my lyrics, search up a little clue
to if i straight i'll diss you
but i won't, because that only give you props
hey sucka, remember how ya got dropped?
i remember like it was only yesterday,
i was in on the act getting stupid pay
you tried to play for one dime
beat you with my hands, i'ma gonna beat with this
rhyme
Hey Diddle Diddle, the Cat and the Fiddle
far from a joke but more like a riddle
cuz it's puzzlin' and to me it's kinda funny
just to diss you, we make money
so i dedicate this jam see,
to all the suckaz who try to play me

CHORUS:

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

punks..

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

how ya like me now?

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]

however said i couldn't flury didn't know me
just another sucka who can blow G,
so lick the tip of this lyricist
here i'm getting paid and wanna get wit dis?
sorry, that's not the way this story goes
say what's up G no, i'm trying up my nose
you can talk all dat jazz becuz i'm still the same
if i diss you, you've only have yourself to blame
keep ya comments to yourself, and you'll do fine
cuz while ya out talking shit, i'm out getting mine
talk ahead of myself, and all of SSL
this for the suckaz who try to play me

CHORUS:

[sample from Public Enemy's Rebel Without A Pause:
suckaz, [chica] suckaz, [chica] suckaz never play me]
