[Opening Sample:

when the fuck are you gonna wake up?

fucking two-bit fucking

crumb smoking fucking...trollop]

ah yeah..

[Sample from KRS One's House Nigga: 'Uncle Tom  
house niggaz, too scary']

ch-check it out, check it out..

they out there yo, they out there

to hear me is love me

to love is to hear me

have no competition cuz they others can't compare see

i write rhymes, while some write raps

selling out for money gettin' caught up in da traps!

but i cannot be caught nor can i be bought

change a single cuz somebody else thought:

[sample: 'this is how it should be done [chica] done']

SORRY SON! i'm not the one!

styles i be kickin', kickin' out my styles

saying you know my music

but i know your wicked smile

so show all ya teeth so i can knock 'em out!

i'm tha crazy nigga that you heard about

maybe read about, maybe seen on the TV

rockin' rhymes because to me its kinda easy

i say the things that others are afraid to

and i don't bust raps i BUST RULES!

so who are you to tell me go commercial?

pockets would love ta,

but my mind is controversial

so in other words, don't agree with your way of thought

and hey, that's the not way Suave was taught

i'ma product of a mutha with intelligence,

you wanna dump me but i rep that that is irrelevant

tell me to loop it, ask me to troop it

i seen ya video boy, YA LOOK STOOPID!  
can't hang with this riff raff rap crap  
if that music i'd rather hear muzak  
forget your lyrics tell me that you bombed  
uncle tom artists getting swepted the fuck under the  
rug!

[Sample from KRS One's House Nigga: 'Uncle Tom  
house niggaz, too scary']

yeah, we change it up (??)  
for all the raw sellouts (??)  
in the streets (??)  
on the uptown beach (??)  
yeah punks...  
(??)

so whats up  
somebody tell me that YA SLIPPED!  
sold ya soul to the devil  
becuz your record wasn't solid shit!  
so now you got a song on the pop charts  
but it got no heart so you're just a pop tart  
trying to step with your no-stills no-frills  
(??) on drug bills  
sellin' hip hop but i won't hip hop  
so ask you: when will the madness stop?!  
(??) see the censors dressing like pimps  
dressing like they hard  
but to me they're only wimps  
doesn't take a man to pull the tha trigga of a nine  
my pistol is my vine and my trigger is my rhyme  
I STAY POSITIVE!  
but they try to push the negative into my write  
but that not how i wanna live  
so when i see a brother sellin' out his own kind  
makes me ask my is everybody blind?!  
don't you can't see whats going on around you  
they sign the artist that constantly surround you  
with tha fat rap  
to me its MUCH CRAP  
Uncle tom artists get the BOZAK!

[Sample from KRS One's House Nigga: 'Uncle Tom  
house niggaz, too scary']

yeah we got them  
they out yo, they yo  
yeah  
wake up wake up..  
yeah..

trollops!
