Visit "[After Midnight](#)" on MotoLyrics.com

After midnight I shall kidnap you from the world
And I'll keep you in my room
Hush now my love and hold my hand
After midnight I shall take you to a place
Where no one else should know of
Hush now my love and hold my hand

You are exactly where you supposed to be
And if they come for you
They would have to find me

Stay
Keep me awake
Keep me amazed
Only for today
Keep me dazed
My love is yours only

After midnight
I shall stay awake
And if you chose to close your eyes now
Hush now my love
I'll watch you sleep

You are exactly where you supposed to be
And if they come for you
They would have to find me

Stay
Keep me awake
Keep me amazed
Only for today
Keep me dazed
My love is yours only

Stay
Keep me awake
Keep me amazed
Only for today
Keep me dazed
My love is yours only
