Driving fast but I am nowhere  
I'm at home when I am out there  
I speak louder when I'm silent  
Tryna be somewhere I'm not but I

I'm so confused, I'm just like you...

Ooo Wipe the sleep from my eyes  
Wake up in another life  
I don't like planes  
But I love to fly Love to fly

I got friends but I'm still shy  
Sometimes I laugh sometimes I cry  
I don't like planes  
But I love to fly Love to fly

I feel lost but  
I'm surrounded by a million perfect  
strangers  
You're like lightning I'm so grounded  
But I'm flying when I'm next to you

I'm so confused, you might be too...

Ooo Wipe the sleep from my eyes  
Wake up in another life  
I don't like planes  
But I love to fly Love to fly

I got friends but I'm still shy  
Sometimes I laugh sometimes I cry  
I don't like planes  
But I love to fly Love to fly

I'm so confused, I'm just like you...

Ooo Wipe the sleep from my eyes  
Wake up in another life  
I don't like planes  
But I love to fly Love to fly

I got friends but I'm still shy  
Sometimes I laugh sometimes I cry  
I don't like planes  
But I love to fly Love to fly
