It all began
At the show one weekend
I was a friend of your cousin said
"hey how you've been"
And with your checkered shirt on
And my Reebok shoes on
Let's watch something random
Turned to something awesome

And I smile I love no,
I laugh happier somehow
No I don't know what is up with me
I laugh too much recently
No, They don't know much about us
When we're exchanging glances
We'll figure out one day,
What happened on your 24th birthday

It all began with a simple

Confession
You had an urge to kiss me and
I was on the verge to miss you
And it happen,
No
We don't understand
No
I won't even budge
Before we didn't hang out much
So save me in your playlist
So,
You wont forget this
And if this don't quite go your way
You'll still have me on replay

With your checkered shirt on
And my Reebok shoes on
Let's watch something random
Turned to something awesome

And I smile I love no,
I laugh happier somehow

No I don't know what is up with me
I laugh too much recently
No, They don't know much about us
When we're exchanging glances
We'll figure out one day,
What happened on your 24th birthday
