You see
I was nothing more
Than a girl who wis

Than a girl who wished For something different

Watchin her dreams

watchin her drear

From a distance

You see

When you came in

It's a different game

You believe in me so much

You turn me from nothing to a girl

Who's super-something

(Chorus)

You'll see

I'm better

I'm faster

Stronger

I'm happier

When you by my side

(Ku lalui semua dengan senyuman di wajahku)

You'll see

I'm better

I'm faster

Stronger

I'm happier

When you by my side

(Ku tempuhi semua kerana engkau di sisi ku)

The truth is

I was never more than this

Something kept me from reaching out

For something

But my heart is wanting

What it's looking for

Then you came

You turn me upside down

I'm no longer afraid

Of chasing

Possibilities

I'll be the last one standing
