Tsuyogaru hodo kimi wo itsudemo
Komarasete bakari de I'm foolish
"Aitai" to nageitemo ima wa
Hajikare sou na ki ga shita no...just felt it

Need you to softly say
Sasayaku dakede ii
Please kiss me once again
Kimi ni furetai...

*Tell me what's on your mind,
I need a sign-
boy you know I feel you
Itsudatte kimi no koto kanjite itai
I wanna feel your smile,
Take a while-
to get my love through to you
Doushiyou mo naku
I'm cryin' your name
I've got secrets in my heart...

Hanareteku kokoro ni sukoshi
Tomadoi hajimeteta...reflection
Itsumono you ni waratte naite
Sugoshita hibi itoshikute...I just wish

Think about you, all the time
I don't wanna say goodbye
Watashi rashiku irareru you ni

Tell me you feel the same,
Don't play no games-
I wanna hear you say now
Kumorase nai mou nido to...kimi no hitomi
When you are feeling sad
Kokoro yori soeru basho
Mitsuketai futari de
Kitto...love will find us there

*Repeat
