Little boxes on the hillside  
Little boxes made of ticky tacky  
Little boxes on the hillside  
Little boxes all the same

There's a pink one and a green one  
And a blue one and a yellow one  
And they're all made out of ticky tacky  
And they all look just the same

And the people in the houses  
All went to the university  
Where they were put in boxes  
And they came out all the same

And there's doctors and lawyers  
And business executives  
And they're all made out of ticky tacky  
And they all look just the same

And they all play on the golf course  
And drink their martinis dry  
And they all have pretty children  
And the children go to school

And the children go to summer camp  
And then to the university  
Where they are put in boxes  
And they come out all the same

And the boys go into business  
And marry and raise a family  
In boxes made of ticky tacky  
And they all look just the same

There's a pink one and a green one  
And a blue one and a yellow one  
And they're all made out of ticky tacky  
And they all look just the same

Little boxes on the hillside

Little boxes made of ticky tacky  
Little boxes on the hillside  
Little boxes all the same

*O2 advert version*

Little boxes on the hillside  
Little boxes made of ticky tacky  
Little boxes on the hillside  
Little boxes all the same

There's a pink one, and a green one  
And a blue one and a yellow one  
And they're all made out of ticky tacky  
And they all look just the same

Then we thought more and we did more  
And we took away the complexity  
And we all smile together  
As things began to change

Then the tide turned and rules changed  
And out came the possibilities  
And we all lived much better  
And we'll never be the same
